ADMINISTRATIVE ORDER 2022-05-18

Jorge Navarrete Clerk

IN THE SUPREME COURT OF CALIFORNIA Deputy

EN BANC

**ORDER CONCERNING THE JULY 2022
CALIFORNIA BAR EXAMINATION**

The court hereby orders the schedule for the July 2022 General Bar Examination as set out below.

The General Bar Examination will be administered in-person over two consecutive days on Tuesday, July 26 and Wednesday, July 27, 2022, subject to any restrictions that may be imposed by any state or local public health order in effect on those dates.

The first day of the General Bar Examination will be comprised of five one-hour essay questions and one 90-minute performance test.

The second day of the General Bar Examination will consist of the Multistate Bar Examination (MBE).

The first day of testing will also constitute the Attorneys' Examination. Qualified attorney applicants are not required to take the MBE but may opt to do so by enrolling for and taking the full General Bar Examination.

The length of each session, the order of testing, and the overall length of the exam may be modified for applicants granted certain testing accommodations.

The answers to the five essays and the Performance Test questions will be graded on the basis of 700 possible raw points — representing up to 100 raw points for each of the five essay questions and up to 200 raw points for the 90-minute Performance Test question.

During the grading process, the written and MBE components will be scaled and weighted equally (50 percent assigned to each). Applicants who take the Attorneys' Examination will have their scores scaled, and the answers to the five essays and the Performance Test questions will be weighted at 100 percent.

The passing score for the General Bar Examination and Attorneys' Examination will be a total scaled score of 1390 or better out of 2000 possible points.

This order supersedes the court's October 20, 2021 order. The court will revise or supersede this order, as necessary, regarding this and future administrations of the General Bar Examination.
