### OPEN SESSION

#### ROLL CALL

The Board Executive Committee was called to order by Chair Stallings. Roll call was taken and a quorum was established.

#### CALL FOR PUBLIC COMMENT

Chair Stallings called for public comment, inquiring as to whether there were person(s) who wished to comment on any agenda item. The following comments were provided to the committee:

1. Benjamin Kohn:  
This speaker raised concerns about Measure Learning's handling of the bar exam, including applicants being administratively withdrawn without refunds due to IT issues and scheduling conflicts. They emphasized the lack of sufficient test centers, particularly for those with accommodations, and urged the State Bar to intervene to prevent further disruptions.
2. Erika Mariel Farmer:  
This speaker echoed concerns about Measure Learning, stating that applicants are struggling with limited test site availability and inadequate customer support. They highlighted how the issues disproportionately affect marginalized groups, such as disabled and low-income

applicants, and noted failures in accessibility features, particularly for blind or low-vision test takers.

3. Applicant 1064:

This speaker questioned the credibility of Proctor U, citing poor reviews, compliance issues, and a lack of transparency in the selection process. They argued that remote testing lacks security and reliability and called for a return to in-person bar exams in a convention center setting.

4. Ray Hayden, JD:

This speaker supported previous criticisms of Measure Learning and raised concerns about the bandwidth capacity for live proctoring. They also advocated for eliminating the written section of the bar exam, arguing that it does not reflect real-world legal practice and creates unnecessary barriers for test-takers.

5. Claire Solot:

This speaker criticized the lack of State Bar oversight in administering the bar exam, arguing that it is unacceptable for Measure Learning to be solely responsible. They urged the Board to ensure that State Bar staff are present at major test centers to monitor and document the exam process.
