

1.2 Recommend Delegation of Authority to Reallocate Remaining 2023–2024
Homelessness Prevention (HP 4) Grant Funds

The State Bar of California

1.2 Recommend Delegation of Authority to Reallocate Remaining HP 4 Grant Funds

Kim Turner, Senior Program Analyst, Office of Access & Inclusion

PDI Committee, February 7, 2025

Agenda

Agenda

- Background
- Recommend Delegation of Authority to Reallocate Remaining 2023–2024 Homelessness Prevention (HP 4) Grant Funds
- Proposed Resolution

HP 4 Remaining Funds Reallocation

- The LSTFC and Homelessness Prevention Funds Committee approved 63 HP 4 grants totaling \$28,500,000:
 - 46 initial awards (\$25,229,306); and
 - 17 supplemental awards (\$3,270,694).
- The 46 initial awards began January 1, 2023.
- The 17 supplemental awards began July 1, 2023.
- The grant period for both types of awards ended June 30, 2024.

HP 4 Remaining Funds Reallocation

- Eleven HP 4 awards had a total of \$1,007,981 remaining at the end of the grant period.
- The State Bar estimates that it also has up to \$170,000 remaining from its funds to administer the HP 4 awards potentially available to reallocate.
- Staff recommends reallocating these funds as there is a high chance of changes to federal spending and housing-related programs that would increase the risk of homelessness for indigent Californians.
- Additionally, natural disasters have already increased the risk of homelessness in some communities.
- Staff recommends that the PDI Committee seek a delegation of authority from the LSTFC for the PDI Committee to reallocate the remaining HP 4 funds to be spent by December 31, 2025.

Proposed Resolution

Should the committee concur, it is

RESOLVED, that the Legal Services Trust Fund Commission (LSTFC) Program Development and Impact Committee (PDI Committee) recommends that the LSTFC delegate authority to the PDI Committee to reallocate the remaining 2023–2024 Homelessness Prevention (HP 4) grant funds as described in State Bar staff’s memo dated February 7, 2025.
